A letter to my patients...

I am pleased to inform you that I will be joining J. John Woo M.D. in practice at the Advanced Retina Center on November 1, 2017.

As a result of our new association, my office in Annandale will close on October 19, 2017. Your medical records will be transferred the following day.

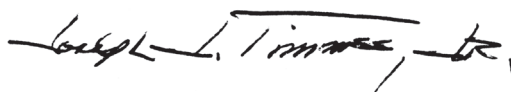

I will continue to see my patients at both of the Advanced Retina Center's offices in Tysons and Alexandria. The Tysons office located on Old Courthouse Road is just 5 miles from my Annandale Office. Both offices have plenty of free parking.

John Woo M.D. is a highly regarded, experienced retinal physician and a gifted surgeon. Many of you already know John, having seen him in consultation with me or on those occasions when he was taking call for me. I have known John for a long time. He is a very good man. I like him, and I trust him.

I am excited about our new partnership and look forward to working with John. I expect that we will become a formidable team of caring, experienced retinal physicians who you can trust.

I will do everything possible to ensure that you have a smooth transition from my office in Annandale to either of the Advanced Retina Center's offices. I look forward to seeing you at Tysons or Alexandria.

Sincerely,

A Letter to Dr. Timmes' Patients:

On behalf of all of us at Advanced Retina Center, I am very pleased to extend a warm welcome to all of Dr. Timmes' patients. I have personally known Dr. Timmes for over 8 years as a great friend and colleague, and I have come to admire his wisdom, intellect, and humor, as well as his sound medical judgement, experience and expertise.

Dr. Timmes will personally continue to examine and provide the great care you have come to expect from him at our Tysons and Alexandria offices. Dr. Timmes will start seeing patients at Advanced Retina Center on November 1. Your medical records from Dr. Timmes' Annandale practice will be transferred and kept at Advanced Retina Center.

If you have any questions regarding billing from Dr. Timmes' Annandale practice, you may call 703-560-7798. For any medical visits beginning November 1, 2017 and thereafter, the billing will be handled by Advanced Retina Center and you may call our billing office at 703-917-0040.

During the transition period, the staff at both offices (Dr. Timmes and Advanced Retina Center) will be able to answer any questions you may have, and also schedule your appointments. We hope to make this transition as smooth and easy as possible for you. Thank you.

Sincerely yours,

J. John Woo, M.D.
